Risk of loss to any Equipment will pass to Client upon shipment; title to Equipment will remain with Trustwave. Title and risk of loss of TPP is governed by the TPP Agreements.

4 PROPRIETARY RIGHTS

- 4.1 Trustwave IP. Trustwave grants to Client a limited, non-exclusive, non-transferable, royalty-free license to access and use the Services and Equipment during the term of the applicable Order Confirmation or SOW only. All technology and documentation used by Trustwave in connection with performing the Services, including, but not limited to, software, portals, data processing systems (each of the foregoing, in object code and source code form), report templates, and Equipment, any associated Trustwave intellectual property, and any derivative works or modifications ("**Trustwave IP**"), is the sole and exclusive property of, and is valuable, confidential and proprietary to, Trustwave. Client will not acquire any rights in any Trustwave IP by receiving the Services. This Agreement conveys no right or license to manufacture, duplicate or otherwise copy or reproduce any of the Equipment. Client will not remove any proprietary notices on Equipment delivered and may not co-brand or otherwise add any branding or marking to such Equipment or its packaging. Client agrees that any feedback, including suggestions for improvements or ideas, is Trustwave's sole and exclusive property.
- 4.2 Data. In providing the Services, Trustwave may collect information relating to activities on Client's network, including, but not limited to, network configuration, TCP/IP packet headers and contents, log files, malicious codes, and Trojan horses ("**Data**"). Client grants to Trustwave a limited, non-exclusive license to use Data during the Term. During and after the Term, Trustwave retains the right to use the Data or Data aggregations for any reasonable purpose, provided such Data is anonymized and does not contain information identifying Client or disclose any of Client's Confidential Information.
- 4.3 Publicity, Trademarks and Logo. Without prior written approval signed by an authorized representative of Trustwave, Client will not, directly or indirectly, (i) use Trustwave's name or any of Trustwave's trademarks, service marks or logos, (ii) make any public announcement related to this Agreement or the Services or (iii) disclose to any third party the fact that Trustwave is Client's service provider.

5 CONFIDENTIALITY

- 5.1 Definitions. "**Confidential Information**" means any information or documentation disclosed by either Party (the "**Discloser**") to the other Party (the "**Recipient**") (including without limitation, documents, data centers, prototypes, samples, Equipment, all software, benchmark tests, specifications, trade secrets, object code and machine-readable copies), including all copies and derivatives thereof, regardless of format. Confidential Information will not, however, include any information which (i) was in the public domain when disclosed; (ii) becomes publicly known after disclosure through no action or inaction of the Recipient; (iii) is already in the possession of the Recipient at the time of disclosure, as the Recipient can demonstrate through objective time-stamped evidence; (iv) is obtained by the Recipient from a third party without a breach of such third party's obligations of confidentiality; (v) is independently developed by the Recipient without use of or reference to the Discloser's Confidential Information; or (vi) is required by law to be disclosed by the Recipient, provided that the Recipient gives the Discloser prompt written notice of such requirement prior to disclosure to the extent permitted by applicable law, and assistance in obtaining a protective order. Recipient will limit any such required disclosure to the information explicitly requested.
- 5.2 Confidential Treatment. Recipient will not use any Confidential Information of the Discloser for any purpose other than as contemplated by this Agreement or any Order Confirmation or SOW. Recipient will not disclose any Confidential Information of the Discloser to third parties or to any employees, except to those employees who are required to have the information to evaluate or engage in discussions concerning the Services, or the terms of this Agreement or any applicable Order Confirmation or SOW. Neither Party will reverse engineer, disassemble or decompile any prototypes, software or other tangible objects which embody the other Party's Confidential Information, and which are provided to the Party. Recipient will take commercially reasonable measures to protect the secrecy of and avoid disclosure and unauthorized use of the Discloser's Confidential Information.
- 5.3 Injunctive Relief. Party's breach of its obligations of confidentiality may cause the other Party irreparable injury for which it would not have an adequate remedy at law. In the event of a breach, the non-breaching Party will be entitled to seek injunctive relief in addition to any other remedies it may have at law or in equity.

- 5.4 Third Party Sponsor. If the Services are sponsored by a third party, such as an acquiring bank, legal counsel, management company, or franchisor, Client will provide Trustwave with written notice of such sponsorship and will authorize Trustwave to disclose information related to the Services and resulting reports to such third-party sponsor.
- 5.5 No Representations. Trustwave's obligations under Section 5 do not create any additional implied or express representations or warranties regarding the Services. Trustwave will not be liable for any breach of this Agreement resulting from a hack or intrusion by a third party into Client's network, environment, software, hardware, operational technology or information technology systems unless the hack or intrusion was through endpoints or devices monitored by Trustwave pursuant to an Order Confirmation or SOW and was caused directly by Trustwave's gross negligence or willful misconduct.

6 TERM AND TERMINATION

This Agreement will commence on the Effective Date and will continue in full force and effect thereafter until terminated in accordance with the provisions of this Agreement (the "**Term**"). Unless otherwise specified, each Order Confirmation or SOW shall commence on the date executed by both Trustwave and Client and shall automatically renew for additional terms with the same duration as the initial term unless a Party provides the other with written notice of its intent not to renew at least ninety (90) days prior to the end of the then-current term.
- 6.2 Termination Rights. Each Party may terminate this Agreement only for cause (as set forth below) or upon written notice to the other Party if no Services are in effect at such time. Each Party may terminate a Service only for cause (as set forth below) or as set forth in the applicable SOW.

- 6.3.2 Trustwave may terminate this Agreement or any Service for cause, if the TPP used to provide such Services is substantially changed by the TPP provider (including a substantial increase in price), or if, for any reason, Trustwave no longer has access to or the ability to use such TPP;
- 6.3.3 Trustwave may terminate this Agreement or any applicable Service for cause if Client fails to pay any amount due to Trustwave within thirty (30) days after Trustwave gives Client written notice of such nonpayment; and
- 6.3.4 Trustwave may terminate this Agreement or any applicable Service for cause if Client (i) terminates or suspends its business, (ii) becomes insolvent, admits in writing its inability to pay its debts as they mature, makes an assignment for the benefit of creditors, or becomes subject to direct control of a trustee, receiver, or similar authority, or (iii) becomes subject to any bankruptcy or insolvency proceeding under federal or state statutes.
- 6.4 Equipment Return. Upon the earlier of the termination or expiration of the Agreement or the applicable SOW or Order Confirmation, Client will return all Equipment to Trustwave. If the Equipment is not timely returned or is not in the same condition as received by Client (except for normal wear and tear), Client will be responsible for the then-current replacement costs of such Equipment.
- 6.5 End of Life. If, during the term of the applicable SOW or Order Confirmation, Trustwave discontinues any Service, then Trustwave will provide Client with written notice of such discontinuation as soon as reasonably practicable but no less than ninety (90) days prior to such discontinuation and may, in its sole discretion, either (i) substitute the discontinued Service with a service of comparable quality and effectiveness; or (ii) terminate the discontinued Services.
- 6.6 Effect of Termination. If Client terminates this Agreement or a Service, Client agrees to pay Trustwave within thirty (30) days for all Services performed by Trustwave up to the date of cancellation that have not previously been paid. Additionally, if Client terminates this Agreement or any Service other than for cause, then Client will pay Trustwave, as a cancellation fee and not as a penalty, an amount equal to the sum of the Fees for the remainder of the term of the applicable Service(s). Rights and obligations under this Agreement which by their nature should survive will remain in effect after the termination of this Agreement.
